### HOW THIS COURSE WORKS:

- All attendees will be required to attend all sessions to receive a course completion certificate. No exceptions can be made.
- All attendees must fill out their *Personal Experience Questionnaire* to allow placement in a group with other individuals with similar experience.
- Group size will be limited to 7- 8 attendees per cadaver
- SPPM reserves the right to reassign individuals to different groups based on the individual's skill level.

### COURSE OBJECTIVES

SPPM Hands-On Anatomical Course will provide the Pain Specialist with the latest information on interventional pain management techniques via lectures, hands-on instruction with cadaver stations, Q & A and networking.

### FACULTY DISCLOSURE

Full financial disclosure of all faculty will be printed in the meeting syllabus.

### DESIGNATION OF CREDIT

The Society For Pain Practice Management designates these courses for category 1 credit toward the AMA of the Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the activity.

Interventional Pain Management Anatomical Course 34.5 Hours

### ACCREDITATION

This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council For Continuing Medical Education (ACCME) through the sponsorship of The Society for Pain Practice Management. The Society for Pain Practice Management is accredited by the ACCME to provide continuing medical education for physicians.

### NEEDS ASSESSMENT

Pain Management techniques are frequently changing. The pain specialist is in need of information and hands-on experience to learn interventional pain management techniques.

### WHO SHOULD ATTEND

This program is designed for physicians who are skilled at performing basic injection techniques.

### EDUCATIONAL METHODS

This seminar will consist of AV enhanced lecture and hands-on instruction with cadavers. CME credits will be mailed at the conclusion of the seminar upon completion of the *Verification Of Attendance Form*.

### CANCELLATIONS

Cancellations for the Hands-On-Anatomical Interventional Pain Management Certificate Course must be requested in writing. Due to the nature of this course, a \$1000.00 Cancellation Fee will be assessed. No-refunds given on cadaver course cancellations after September 14, 2007.

SPPM reserves the right to alter the program or substitute speakers without further notice.

### Hear what previous attendees say about the SPPM Conferences

*"The Best Hands on Course I've been to!"*

*"Great instruction! I can use what I learned when I get home."*

*"The groups were good-I was able to ask questions and practice what I was taught."*

*"I would have never been able to be in solo office practice doing so well if it was not for your lecture series. I was in Boston 4-5 years ago & Arizona 2 years ago & used much of the information. Thanks!"*
